said

we

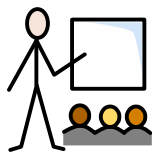

did

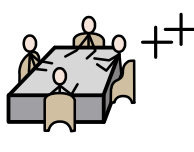

Some children now have access to photography lessons

Lunch is good

There are more toys in the gym but it would be better if we could have some more

class

meetings

Class 3 asked about tablets for young people - perhaps amazon tablets that can have more restrictions than ipads? and can be used for educational games. All CC members would like to be able to learn using tablets again.

Could we have more go karts and make sure they are kept working?

What could we change

or

do

better

Adam has a new job now - could young people be told when staff move on to new jobs?

Could we have more films and games for the zone for wet play?

Could we have wellies for outside? We used to have a welly store.

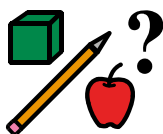

Achievements for the Bradstow Voice

Music with Ross is going really well.

Individual achievements

Oscar would like to share his work with Ramsgate football club.

Is there anything else?

Could we have more variety of fruits please? We used to have fruit of the week and things like grapes?

Classes really like the fruit juice at lunch times. Thank you.

thank you

we have finished
