Dear Parents and Carers

I hope you are all keeping safe and well at home. I appreciate that these are difficult and challenging times for you all, with a particular challenge for yourselves in caring for your young people and keeping them safe whilst isolating yourselves within the community.

I want to assure you that we are keeping this situation under regular review, and we will return all the young people to school as soon as it is safe to do so. This is our priority.

Senior Managers will continue to contact you twice a week over the Easter period, and we are always available to assist you with any learning or communication resources where required. Please do not hesitate to contact us at the school if you require advice or support with a particular issue or query, or if you are struggling?

We will be adding some online learning resources and further useful links for information to our website in the coming days. We will also ensure you have access to the latest guidance from Government via the website www.bradstow.wandsworth.sch.uk.

The May Day event for next term has been cancelled. I will update you on any changes to the planned Bradstock Music Festival in July during the coming weeks when we are clearer about the timescales we are planning for.

We are currently not able to confirm when the school will fully reopen and operate normally again. This will depend on staffing resources and support being safe.

I will write to you again to update you on this situation during the Easter period. In the interim please do not hesitate to contact me at the school on 01843 862123 or email sdunn@bradstow.wandsworth.sch.uk

Thank you all and we will see you soon

Regards

Sarah Dunn
