The government guidance regarding the Sports Premium following the Pandemic states that the funding from the previous year can be carried forward to the following academic year:

Carried forward unspent PE and sport premium grant funding from the 2019 to 2020 academic year

As a result of the coronavirus (COVID-19) outbreak, the Department for Education took steps to relax the ring-fencing arrangements for the PE and sport premium in the 2019 to 2020 academic year to allow any unspent grant to be carried forward into the 2020 to 2021 academic year.

Any under-spends carried forward will need to be spent in full by 31 March 2021 and schools should factor this into spending plans for their 2020 to 2021 PE and sport premium allocation.
