

Community Council meeting

Date 11.03.21

Who is here? LG, AH, CE, LC, VN, DD, CF, OT, SM

Article

of the term

and

RRSA

The article of the term is about every child's right to an education which develops their abilities and talents to the full. Classes will make sure this is up in class to help everyone learn about children's rights

you

said

we

did

We discussed what had changed since the last meeting. See last term's 'you said we did' sheet for details including information about our new therapy dog and ipads with educational apps

class

meetings

two classes had meetings this week Issues raised included questions about when we can start mixing bubbles and going off site again? Classes fed back that the therapy dog and laptops for classes are a good idea

What could we change

or

do

better

?

The changing rooms in the swimming pool are very cold - could they be heated please? Could we have more fountains? Could we have a climbing wall? It is still noisy at night time - could JB let us know what can be done?

Could there be more sports and canoeing on the curriculum? (class 1)

Could there be a room or space for YP to go as noise and interruptions is disturbing learning in some classes?

Achievements

for the

Bradstow Voice

VN voted for suggestion box number 2

Birthday celebrations in class 2

LG will ask teachers and young people for any new stories of the newsletter

thank you

we have finished

Thank you VN and CE as well as OT for attending the meeting and sharing views that will help lots of young people at Bradstow.

Can

we have ipads for learning?

Sarah said that we are getting some ipads with educational apps on them for young people to borrow in class. These will be signed in and out of the library.

Therapy

dog

Doris the therapy dog will be joining us soon!

School and Home survey

new curriculum

Sarah would love to know what you want to learn about at school and thank you for taking part in the school survey.

Let us know if you have ideas about what you want to learn

Noisy

Night

time

James hasn't been able to let me know what he has done about the noise at night time.

We will have more information for you at the next meeting.

Fire Drill

Everyone did a great job at the fire drill that happened during the snow this term. Everyone went to their fire points for their classes! Very impressive!
